

AMN Passport Surpasses 200,000 Downloads: The Most Downloaded Mobile App in Healthcare Staffing Industry

August 22, 2023

DALLAS, Aug. 22, 2023 (GLOBE NEWSWIRE) -- AMN Healthcare's (NYSE: AMN) mobile app, AMN Passport has surpassed 200,000 registered, ready-to-work healthcare professionals. AMN Passport is the most downloaded app of its kind, designed for nurses and allied health professionals to find, book and manage career opportunities.

AMN Passport is the ultimate self-service, healthcare career app to make job searching and assignment management easy for clinicians. With specialties spanning home health, ER, ICU, OR, PICU, travel therapy, respiratory, imaging, social work, laboratory, speech language pathology, and more, AMN Passport puts the clinicians' career at their fingertips.

"AMN Passport enables our invaluable healthcare professionals to have the best tools available to easily manage their workloads and feel empowered by the important work they are doing," said Cary Grace, AMN Healthcare's President and CEO. "AMN Passport continues to revolutionize the way healthcare professionals connect and thrive in their careers, including an important new feature called Impact Tracker, which measures clinician's personal impact based on their patient and community service."

AMN Passport has become a trailblazer in the healthcare industry as the total tech solution for nurse and allied healthcare professionals. With direct access to a large healthcare talent network and a multitude of job opportunities, clinician-driven AI-powered job match technology, hassle-free compliance, self-service credential center, as well as direct insights into the impact healthcare clinicians have made in communities across the country, AMN Passport has revolutionized the way healthcare professionals connect and thrive in their careers.
