

## **ShiftWise Flex™ Launches Manager Hub App Enabling Mobile Workforce Management for Healthcare Organizations**

July 16, 2024

DALLAS, July 16, 2024 (GLOBE NEWSWIRE) -- AMN Healthcare, the leader and innovator in total talent solutions for healthcare organizations, launched the Manager Hub app, the latest innovative capability of its workforce management platform, ShiftWise Flex™. This additional functionality empowers healthcare organizations with on-the-go, accessible workforce management capabilities. ShiftWise Flex, a next-gen vendor-neutral vendor management system (VMS), serves as a comprehensive workforce management platform for healthcare organizations.

"ShiftWise Flex is simplifying how healthcare organizations manage their workforce," Nishan Sivathasan, AMN Healthcare Division President of Technology and Workforce Solutions said. "With this app, managers now have seamless access to essential functionalities, empowering them to meet unique workforce demands. This mobile tool's flexible capabilities drive agility and efficiency, enabling healthcare systems to manage their workforce more effectively."

Central to the ShiftWise Flex platform, and now the Manager Hub app, is the detailed dashboard that exhibits critical insights into workforce operations like:

- Orders and order details
- Submitted staff
- Filled and open shifts
- Staff profile details and performance
- All active and pending assignments

The ShiftWise Flex Manager Hub app enables users to promptly handle shift management tasks, manage timecards, accept and fill orders, create shifts, monitor current assignments, submit new assignments, and manage staff compliance.

"ShiftWise Flex has emerged as a frontrunner in the healthcare VMS space with significant enhancements that have advanced the platform's functionality," said Krishna Charan, Vice President, Everest Group. "Its integration with the AMN Passport mobile app and improved reporting functionalities position ShiftWise Flex as a major contender in the Everest Group's global and North America VMS PEAK Matrix® Assessment 2024."
